

SE 3070 - Case Studies in Software Engineering 2025			
Schedule			Lab
	Malabe WD/ KandyUni/ JaffnaUni Physical Lectures	Malabe WE Physical Lectures	
Week 1	No Lecture	Introduction and User Centered Design	No Labs
Week 2	Introduction and User Centered Design	UML for Case Study Design	Storyboards and wireframes
Week 3	UML for Case Study Design	SOLID Principles	Functional Design with UML
Week 4	SOLID Principles	Coding Standards and Best Practices	Assignment released - detailed discussion regarding the case study
Week 5	Coding Standards and Best Practices	Integration and Unit Testing	Coding conventions lab sheet
Week 6	In-class helpdesk for assignment 01	In-class helpdesk for assignment 01	Unit Testing
Week 7	Assignment 01 deadline/ Integration and Unit Testing	Assignment 01 deadline + evaluation	Assignment 01 deadline + evaluation
Week 8	Assignment 01 evaluation/ Mid Examination (8th-21st Sept.)	Assignment 01 evaluation/ Mid Examination (8th-21st Sept.)	Assignment 01 evaluation/ Mid Examination (8th-21st Sept.)
Week 9	Mid Examination (8th-21st Sept.)	Mid Examination (8th-21st Sept.)	Mid Examination (8th-21st Sept.)
Week 10	Integration and Unit Testing	Debugging and Profiling	Debugging Applications + Discussion of the assignment 02
Week 11	Debugging and Profiling	Profiling – Part II	Lab Test
Week 12	Profiling – Part II	Configuration Management	Profiling
Week 13	Assignment 02 evaluations	Assignment 02 evaluations	
Week 14	Configuration Management		
End of the semester
